

BASTION SHUFFLEBOARD TABLE

With stout lines, and strong legs, the Bastion Shuffleboard Table is built to endure whatever the future has to throw at it. The wood top rail follows the leg design, which has a steel round leg welded to the frame. The half circle detail in the wood top rail is a perfect area to leave a beer or your favorite martini while you play.

The bottom of the legs have walnut levelers to perfectly level the table before play begins. The base is one solid piece, the legs do not come off. Like all our shuffleboards, this is entirely made in California.

The gutters are lined with any of our gutter lining options. Climatic adjusters level out the plank should you need to. The base is solid steel, available in a multitude of powder coat colors. A split top walnut conversion table is also available as an add on. Shown in black walnut, blackrock texture PC and brown quilted leather gutters.

The Bastion Shuffleboard features a solid rock maple top, with a UV resistant epoxy resin topcoat that is ready for years of puck sliding gameplay. Black walnut is meticulously inlaid as the lines and the numbers on the plank

Comes with a set of Woolsey professional black and white pucks, a wall rack (to hold the pucks), and plenty of salt.

9'-20' Sizes available.

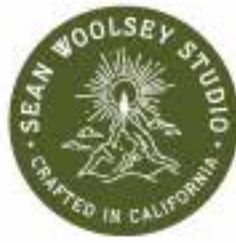

Overall size is 31" wide x 31" tall.

Add ons available:

+Wood split top conversion table

+Scoreboard

+Deluxe Shuffleboard Accessory Kit

Add on a scoreboard (\$750 extra)

Slider Scoreboard:

The slider scoreboard is mounted and elevated by 2 brass rods.

The wood will match your top rail.

Simply loosen and move the thumbscrews then lock in place, laser engraved detailing and branding.

Magnetic Scoreboard:

The magnetic scoreboard is quickly mounted on + off the table via rare earth magnets.

The wood will match your top rail.

Hand turned wood scoring beads slide along the brass rail keeping score.

The scoring beads can be white oak, walnut or maple.

Standard Accessory Kit (included)

All our indoor shuffleboard tables come with pucks and a magnetic wall rack that holds the pucks when not in use. Rack dimensions 15" x 1" x 3/4" thick, mounts flush to wall.

Deluxe Shuffleboard Accessory Kit (\$500 extra) includes:

- 2 sets of pucks, (very nice to have an extra set if any get lost or chewed on by the dog)
- 3 shuffleboard salt canisters (this will last you a long time)
- Shuffleboard plank sweep (to clean off the salt)
- Cleaner and polish for plank
- 2 wrenches for easy adjustment of the climatic adjusters to flatten the plank
- magnetic wall rack
