

CLASSICOOL PING PONG TABLE

With hand turned maple and walnut legs, the ClassiCool Ping Pong table is sure to stand out in a sea of ordinary ping pong tables. We also hand turn the net posts to match the legs, with ornate detailing and easy adjustment of the net.

With a nod to classical architecture we designed the ClassiCool Ping Pong Table.

Suitable for years of game play in your choice of premium hardwood (walnut, maple-shown, or white oak) with a contrasting centerline and perimeter inlay. The net is a leather and fabric with tension adjustment, and easy on/off to transfer from dining to ping pong in a couple of minutes.

As a dining table seats 8-10 people. Ready for years of play. We can also swap the net for any of our other net designs.

The base is solid steel, your selection of powder coat color.

Dimensions: 108" x 60" x 30" tall (Regulation table size)

Lead time is around 8 weeks.

Designed and crafted in California.

The Classicool ping pong table comes stock with 2 paddles, 3 balls and a wall rack (shown above).

After many requests we also offer a Deluxe Accessory Kit.

The Deluxe Accessory Kit (24" x 11") includes:

4 paddles, 7 balls, and a larger wall rack to house 4 paddles and 5 balls on the wall. People love to have the extra paddles and balls for doubles games, and balls always get lost or eaten by the dog.
