

WOOLSEY SMART DESK

We left nothing out when designing the Woolsey Smart Desk. We wanted to include everything for the busy professional to stay organized with a luxurious, yet functional design offering everything you will need.

3 drawers with soft-close, under-mount, drawer slides for your storage needs

Premium American Black Walnut top and drawer fronts.

The left and right drawers have cable slots for you to charge devices within the drawers.

An included black walnut desk accessory organizer to utilize either in a drawer or on the desktop.

The wood top has an embedded Qi fast charger to easily and charge your phone or Airpods. Integrated cable management under the desk keeps everything neat and tidy.

A surge protector with 6 outlets and 2 USB ports; providing more capacity not typically seen in smart desks
Rounded corners and rounded edges for a soft and comfortable feel.

An electric dual motor system designed to run smoothly and effortlessly making very little noise.

A remote has 4 stop locations for you to set for your personalized height preferences.

Add our monitor stand to your order below if you'd like one. Dimensions of stand are 46" x 9" x 4" tall.

60" x 30"(overall size)

Adjustable height range of 24.5" T to 49.5" T

“IF APPLE MADE
A SMART DESK,
THIS WOULD
BE IT.”
-STEWART R.
