

SRW SHUFFLEBOARD TABLE

The distinctive, new SRW Shuffleboard Table has half circles on the ends, and boy is it stunning. It's an elegant and meticulously crafted piece of art; not your ordinary game table. For the walnut top rail, we steam bend vertical grain premium walnut and use a round over on all the edges.

The SRW Shuffleboard Table's wood is buttery smooth and perfect to lean on for those tricky shots where you want to knock your opponent off the board. The steel frame follows suit and is handcrafted with half circular ends. The rock maple plank is gorgeous and extremely durable with a UV resistant, epoxy resin topcoat to last for years of play. Black walnut is meticulously inlaid forming the lines and numbers and Woolsey logo. The gutters are lined with a luxurious caramel leather (or midnight black) with baseball stitching detail.

The bottom of the rock maple plank has climatic adjusters to level it out should you need to for perfectly flat play. Solid black walnut, hand-turned legs (with hidden leg levelers) sleeve into the steel frame and allow for adjustment on uneven floors.

Comes with 4 white and 4 black pucks, plenty of shuffleboard salt (aka wax, powder, sand), and a magnetic wall mount to hold the pucks when not in use.

Overall size is 31" wide x 31" tall.
