

WOOLSEY OUTDOOR SHUFFLEBOARD TABLE

The Woolsey Outdoor Shuffleboard Table has a rock maple top, with a UV resistant epoxy resin topcoat. In addition the entire surface of the maple plank has fiberglass and a resin topcoat wrapped around for durability outdoors, making the plank completely waterproof. The base is metalized steel (sandblasted, sealed with zinc, and then powder coated) which offers supreme corrosion and rust protection for the outdoor environment. The gutters are lined with an ultra-durable outdoor fabric (your choice of color). Climatic adjusters are hidden on the plank to level out the plank should you need to. A teak handrail is put on top of the steel. Black walnut is inlaid as the lines and the numbers as well as the Woolsey logo on center of the maple plank.

Comes with an outdoor cover, pucks, shuffleboard salt, and a magnetic wall mount to hold the pucks when not in use.

Available in 9'-20" sizes.

Overall size is 31" wide x 31" tall

Multiple powder coat colors are available.

Add on a scoreboard (\$750 extra)

Slider Scoreboard:

The slider scoreboard is mounted and elevated by 2 brass rods.

The wood will match your top rail.

Simply loosen and move the thumbscrews then lock in place, laser engraved detailing and branding.

Magnetic Scoreboard:

The magnetic scoreboard is quickly mounted on + off the table via rare earth magnets.

The wood will match your top rail.

Hand turned wood scoring beads slide along the brass rail keeping score.

The scoring beads can be white oak, walnut or maple.

Standard Accessory Kit (included)

All our indoor shuffleboard tables come with pucks and a magnetic wall rack that holds the pucks when not in use. Rack dimensions 15" x 1" x 3/4" thick, mounts flush to wall.

Deluxe Shuffleboard Accessory Kit (\$500 extra) includes:

2 sets of pucks, (very nice to have an extra set if any get lost or chewed on by the dog)

3 shuffleboard salt canisters (this will last you a long time)

Shuffleboard plank sweep (to clean off the salt)

Cleaner and polish for plank

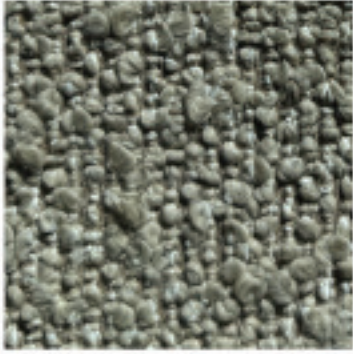

2 wrenches for easy adjustment of the climatic adjusters to flatten the plank
magnetic wall rack
