

WOOLSEY SHUFFLEBOARD TABLE

The Woolsey shuffleboard table has a rock maple top, with a UV resistant epoxy resin topcoat to last for years. The gutters are lined with a charcoal grey industrial felt, which softens the sound of pucks flying off the maple top (should you have this problem). We have climatic adjusters to level out the plank should you need to. Solid black walnut legs (with hidden leg levelers) sleeve into the steel frame, and we used black walnut on the top of the table around the perimeter. Black walnut is inlaid as the lines and the numbers.

Comes with 4 white and 4 black pucks, plenty of shuffleboard salt (aka wax, powder, sand), and a magnetic wall mount to hold the pucks when not in use.

Available in 10'-20' sizes. Multiple powder coat colors are available upon request. The overall width is 31" and the height is 31" (to top of rail).

Split top walnut conversion tops are also available.

All our shuffleboard tables come with pucks and a wall rack that holds the pucks when not in use.

Add one of our scoreboards to your table for \$750. The wood will match your handrail. Our scoreboard is permanent and mounted into the wood toprail with brass bars. Brass thumbscrews smoothly move along the scoring area as you play.
